

ESTABLISHMENT

Janford Air Flow Company Limited is a private limited company formed in June, 1988. Janford is a manufacturer of air grille, air louvre, jet flow diffuser, air volume control damper, fire damper with access panel, light fittings and metal perforated ceiling panel with head Office in Kwun Tong, Kowloon.

We offer a full design, advisory and follow up services for air flow systems. This activity is predominant in the air conditioning industry.

Our Customer base extends to approximately 200 accounts and includes many prestige projects. The Government of the Hong Kong SAR is one of our major customer. Good reputation and good connection with the customer in the field are the rewards of our endeavour on regular quality improvement and excellent sales services.

成立

晉福風咀有限公司成立於1988年六月，主要業務範圍包括生產各類風口，百頁，噴射咀，風量調節閥，風管檢視門和沖吼板天花片等，總辦公室設於香港之觀塘區。

本公司在協助客戶工程設計上及售後服務之工作，甚獲好評，而本公司亦會朝這方向繼續努力。

本公司現有大約200個客戶及完成多個具代表性之工程項目，其中亦包括香港特別行政區之發展項目，並相信竭力提供高質素服務及優良產品而獲取商譽和客戶信任是本公司一向之目標。
